Diagram illustrating the layout structure of the "New Photo" screen:

The main content area is enclosed in a large blue-bordered box.

- Top Left (Blue Box):** Contains the "Back" button.
- Top Right (Grey Box):** Contains the "Log Out" button.
- Center Area:** Contains a placeholder image of a camera and the text "Your Picture". Below it are two light grey input fields: "Enter Tags" and "Enter Caption".
 - A blue arrow labeled "VBox" points to the vertical stack of these two input fields.
 - A blue arrow labeled "HBox" points to the horizontal stack containing the camera image and the "Your Picture" text.
 - A green annotation states: "Comes from 'Add Photo' from Album Detail".
 - A bracket labeled "Textfields" groups the "Enter Tags" and "Enter Caption" fields.
- Bottom Area:** Contains two buttons: "Pick from Computer" (orange) and "Pick Stock Image" (purple). To the right is a green "Add" button.
 - A blue arrow labeled "VBox" points to the vertical stack of the "Pick from Computer" and "Pick Stock Image" buttons.
 - A blue arrow labeled "HBox" points to the horizontal stack containing the "Add" button and the bottom section of the main content area.
 - A green annotation states: "BOTTOM".
